CULTIVATING ASIAN LEADERS

Internationally recognised for its intellectual rigour and experiential, output-driven methodology, the Asia Young Leadership Programme (AYLP) is a hands-on leadership programme for emerging leaders in Asia from government, leading companies, and civil society to help navigate complexities and seize opportunities in this diverse and dynamic region. Now more than ever, leadership demands fresh thinking and resilience to today's complex challenges.

BEST-IN-CLASS EXPERIENTIAL LEARNING METHODOLOGY

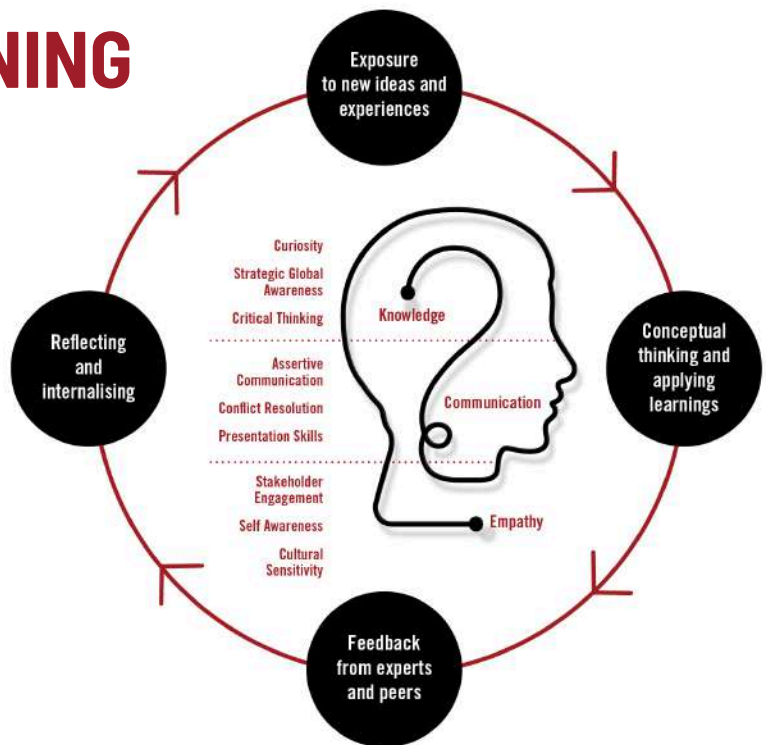

People learn 70% through experience, 20% through relationships, and 10% through formal training methods.

GIFT Programmes have been presented at the United Nations as an "Innovation in Leadership Development".

"The programmes are designed to help participants ... learn how to adapt their business models to succeed in new markets."

M2: LIVE PROJECTS WHERE OUTCOMES MATTER

People-to-People Exchange and Diplomacy

Building strong international relations is essential in a world rife with geopolitical tensions and conflicts. The theme of AYLP 2024 is "People-to-People Exchange and Diplomacy." This form of cooperation, based on respect and understanding between people, presents a unique opportunity to overcome geopolitical divides. The project explores the ASEAN-China partnership through collaborative projects, educational partnerships, and cultural interaction to foster stronger economic ties. By cultivating mutual understanding and appreciation among nations, we aspire to formulate frameworks and strategies that pave the way for shared prosperity across the region.
